

oBookkeeping

VIRTUAL BOOKKEEPING SERVICES

Everything we do start with understanding our client's business inside out. It's the key to providing creative, forward looking advice and building long-term relationships. It helps us anticipate our client's business needs and to present new and unique opportunities.

SERVICES WE DELIVER

Bookkeeping Solutions

Recording timely financial transactions is a hectic and time-consuming work. It distracts entrepreneurs to look after important business activities.

Outsourcing accounting & bookkeeping services to us is one of the best ways to stay focused and take care of your business growth and operations.

Payroll Services

Payroll management is a crucial and time-consuming task for small business owners. It hinders business owners to stay focus on other important business activities.

Outsourcing payroll services to us would be a great decision for small business owners to avoid complex payroll calculations and stay focus on business growth activities.

Tax Preparation

We provide tax preparation services to ensure 100% compliance with taxation laws. Get in touch with us for outsourcing tax preparation services.

ABOUT US

oBookkeeping was started in 2019, headquartered in Lahore, Pakistan. As the name reflects, the firm is efficiently providing remote bookkeeping services to small and medium enterprises around the world.

In our crew, we have employed qualified team members including Chartered Accountants, Certified Internal Auditors, ACCAs, & MBAs.

Our vision is to become a globally recognized bookkeeping service provider in virtual services market.

CORE VALUES
